UNITED NATIONS LAUNCHES ITS NEW SUSTAINABLE DEVELOPMENT COOPERATION FRAMEWORK IN BANGLADESH

On November 21, the United Nations in Bangladesh launched its new Sustainable Development Cooperation Framework (UNSDCF) for 2022-2026. The UNSDCF will outline the work of all UN agencies in Bangladesh for the next five years and support the Government of Bangladesh in reaching the development priorities outlined in its 8th Five Year Plan.

UNFPA MARKS 16 DAYS OF ACTIVIST AGAINST GENDER-BASED VIOLENCE

On November 25, UNFPA kicked off its annual “16 Days of Activism” campaign against gender-based violence by participating in a variety of events across Bangladesh. The campaign will continue until December 10, during which UNFPA will be engaging in activities to raise awareness of efforts to end GBV in the country.
